

StemActive Capsules

Premium Stem Cell Activator

StemActive is a premium stem cell activator that enhances the body's natural ability to increase circulating stem cells. Formulated with powerful, proprietary ingredients known for their stem cell mobilization properties, it supports the body's renewal and repair processes.

Features & Benefits

- **Boosts Stem Cell Production:** Clinically proven to increase the number of circulating stem cells by up to 60%.
- **Enhances Muscle Recovery:** Aids in tissue repair, recovery, and maintenance.
- **Improves Cognitive Focus:** Includes L-Theanine to help regulate mood and improve focus.
- **Convenient Usage:** Available in both capsules and gel packets for easy daily consumption.

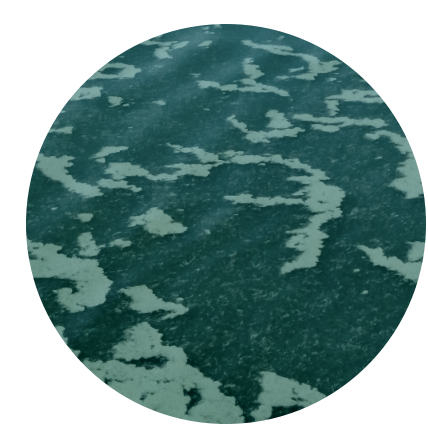

Key Ingredients

Madagascan Aloe Macroclada: This specific variety of Aloe has been clinically proven to increase the number of circulating stem cells by an average of 40% - 60%.

Tibetan Sea Buckthorn Extract: Has been scientifically researched and documented to trigger the mobilization of bone marrow stem cells, promoting the body's natural renewal and repair process.

Klamath Blue-Green Algae: This is HealthyHome's proprietary organic freshwater algae known to improve the number of circulating stem cells in your bloodstreams, aiding tissue repair and supporting the natural aging process.

L-Theanine: A naturally occurring amino acid found in tea leaves, L-Theanine is known for its calming effects and ability to improve mental focus.

Serving Size:
2 capsules

Directions for use:
Take 1 serving morning and night for a total of 2 servings daily to ensure a constant wave of stem cells
